## 3. DELIVERY

The preconditions for correct installation and the fasteners to be used are described in the enclosed or digitally published installation instructions with the following version:  
I05370030QN/02-2025

## 4. PERFORMANCES

A rim cam barrel hinge set of 2 according this certificate fulfils the relevant requirements of BRL 3104.

A window- or door set, in which this rim cam barrel hinge, set of 2 is installed according the installation instructions of the certificate holder meets at least burglar resistance class (RC) 2 of NEN 5096 and EN 1627, if:

the façade element or the (profile-)system from which the element is manufactured is delivered under a (KOMO-)quality approval with respect to the aspect burglar resistance, in which the actual window or door type is admitted and the herein mentioned conditions are fulfilled.

A window or door, in existing buildings, in which this rim cam barrel hinge, set of 2 is installed according the installation instructions of the certificate holder, meets the requirements of the Police Mark Save Housing (PKVW) - Existing Building, if:

the other aspects of the façade element also comply with the applicable PKVW Protection directive (publication CCV).
